(For fisherman)**

Stone Gate

350m after Miho shrine, you will see the Stone gate on your right side and also a public Car parking lot on your left side. You may park your car here with free. Turn to the right and walk 120m on the narrow path toward the guesthouse.

Turn to the left
at the 1st corner.

A narrow alleyway in a residential area. On the left is a building with a corrugated metal wall. On the right is a stone wall with a metal railing and two gas cylinders. A small blue signboard is circled in red on the right side. A yellow arrow points from the bottom left towards the signboard. The ground is paved with asphalt and has a manhole cover and a white rectangular marker.

Sign board of
Guesthouse KUME

Turn to the right.
Guesthouse KUME is there.
